CONCLUSION:

- Promoting the welfare of children, in the school, home, and in the community.
- Preparing programme which can increase cooperation between school, teachers, parents, students and community.
- Providing various opportunities to parents and teachers to come on the same frequency and discuss problems regarding children.
- Arranging social get-together, PTM's and programmes of recreation for parents and teachers.
- Monitoring each student activity and progressing records.

MEETING HELD ON 12/08/2023

CONCLUSION:

- Parents were oriented about circular design and the support required from them.
- We reinforce the support for the students who are lagging in the academics
- To enhance the hygiene of washrooms
- Take preventive measure to curb the spread of mosquito
- Provision for keeping books in school to reduce the bag load
